

REMARKS

In an Examiner's Amendment attached to the Notice of Allowance dated May 2, 2011, the Examiner amended several of the claims herein to put the claims in allowable condition, which is greatly appreciated. However, Applicants believe that the Examiner's amendments inadvertently introduced a number of terminological, non-substantive errors into the claims. The Examiner's attention is directed to the amendments above wherein Claims 5, 6, 12, 14, 34, 39, 44, 49, 50, and 53 have been amended to correct those non-substantive errors.

The amendments above are not intended to introduce new matter, broaden the scope of the claims, or introduce issues that would necessitate further consideration by the Examiner. Accordingly, entry of these amendments is believed proper and is respectfully requested.

Respectfully submitted,
/William H. Dippert/
